## INTRODUCTION

### Eligibility Restricted to DEPENDENT Students Only

In order to receive a Federal Parent PLUS loan, the parent must not be in default on a prior education loan and pass a mandatory credit check performed by the Direct Loan Servicing Center. For further information about Parent PLUS, refer to the following website: [studentaid.gov](http://studentaid.gov).

The information below pertains to the parent who will be the borrower of the loan. A natural or adoptive parent can borrow a PLUS loan on behalf of the student. A step-parent can serve as the borrower only if his or her information was included on the FAFSA. **If the parent borrower is accepted for the loan, he/she must complete a PLUS Master Promissory Note (MPN).** You can do this by logging onto [studentaid.gov](http://studentaid.gov). Click on the "Parent Borrowers" button and select "Complete a Loan Agreement for a PLUS Loan (MPN)." Then log in using your parent FSA ID and follow the prompts for completing the PLUS Master Promissory Note. If the PLUS MPN is completed properly, you will receive a confirmation e-mail.
