

Please read all instructions carefully before submitting the Application for Form I-20. If you submit the Application for Form I-20 without following all instructions, your Form I-20 will be delayed.

WHAT IS A FORM I-20?

The Form I-20 is a US government form. Cairn University uses this form to certify to the US government that you are academically and financially qualified for an F-1 student visa. You must have a Form I-20 in order to apply for a student visa or to transfer from one US school to another US school.

The purpose of this application form is to demonstrate that you are financially qualified for study in the US. "Financially qualified" means that you have funds readily available to pay all *estimated expenses* for one academic year and that you will be able to afford the entire program, barring unforeseen circumstances. You may use multiple sources of funding, such as personal funds, sponsors, and University scholarships and grants.

HOW TO COMPLETE THE APPLICATION FOR FORM I-20

Student Information

Enter all information as requested. Be sure to write your name exactly as it appears on your passport. If you are bringing dependents (spouse or child(ren)), please enter their information as well.

Source of Funding

Your sources of funding can be any combination of personal funds, scholarships, grants, funds from sponsors, and free room and board through a sponsor. Please check all that apply to your situation.

- If you are funding yourself, please check the first box. In order to fund yourself, you must have a bank account in your name with the funds you need. Do not check this box for funds that are coming from your parents or family.
- If you are receiving any scholarships or grants from the University, please check the second box.
- If you are receiving funds from any person/organization other than yourself or the University, please check the third box. A sponsor is any person or organization that contributes financially to your educational expenses. This includes parents, relatives, friends, and organizations. You may have as many sponsors as you need to cover the estimated expenses listed on Page 2.
- If you are receiving free room and board from a local sponsor in the US, please check the fourth box.

Funding Worksheet

Please enter all amounts in US dollars.

- Enter the amount of personal funds you have available for your educational expenses (can be \$0.00).
- Enter the total amount of scholarships and grants provided by the University. This information is available on your financial aid award letter.
- Enter the name of each sponsor and the amounts they are providing.
- If you are receiving free room and board through a local sponsor, enter the cash value of room and board, as listed under your program in the Estimated Expenses chart on page 2.

Add the funds listed and enter the sum under Total Funds. This amount must meet or exceed the Total Estimated Annual Costs.

The Total Estimated Annual Costs should equal the Total Costs for your program as listed on page 2, plus \$7,675 for each dependent you are bringing with you to the US.

Students who plan to bring dependents (spouse and/or children) must provide evidence of additional financial support of \$7,675 per dependent.

AFFIDAVIT

Each sponsor listed on the Funding Worksheet must complete an affidavit of support (Page 5). This affidavit is a legal document. By completing and signing the affidavit, your sponsor is swearing to the US government that he or she has the means to provide a specific amount of money for you for every year that you study at Cairn University.

Sponsors should be careful to promise only the amount of funds they are able and willing to give. If they promise more funding than their income indicates they can afford, the documents will not be considered as proof of funding and additional documents will be requested.

For each affidavit, please submit at least one proof of income document. Proof of income documents must be:

- Copies or faxes (you should keep the originals)
- Less than two months old
- In English

Please submit at least one of the following:
