

1. We believe that there is only one God, Creator of heaven and earth, who exists eternally in three equal persons – Father, Son, and Holy Spirit.
2. We believe that the Old and New Testament Scriptures are the inspired Word of God, written under the guidance of the Holy Spirit without error in the words of the original documents and providentially preserved as the supreme authority for faith and life.
3. We believe that human beings were specially created by God to be perfect bearers of His image, but that through sin they alienated themselves from Him. Consequently, they have inherited a nature incapable of pleasing God and have incurred the certainty of physical death and the prospect of eternal punishment.
4. We believe that Jesus Christ, the eternal Son of God and second person of the Godhead, is the Word made flesh. He was conceived by the Holy Spirit and born of the virgin Mary. He is therefore fully divine and fully human.
5. We believe that Jesus Christ, being without sin, died as the substitute for sinful humanity, and that His death is sufficient both to satisfy the justice of an offended holy God and to reconcile sinners to Him. We believe that Jesus Christ was raised from the dead bodily and ascended in that form into heaven, where He sits at the right hand of the Father, and is presently interceding for His own as High Priest and Advocate.
6. We believe that sinners are justified by faith alone, forgiven, reconciled to God, kept by Him, and granted eternal life as a gift of His grace, which they receive by faith alone in the crucified and risen Savior, Jesus Christ. We believe that all who trust Him are born of the Holy Spirit and thereby become the children of God.
7. We believe that the Church is the body of Christ inaugurated by the Holy Spirit at Pentecost, and consists solely of those who have trusted Jesus Christ for salvation. We believe that its members are indwelt by the Holy Spirit from the moment of conversion and are enabled by Him to glorify the Lord Jesus by living godly lives, strengthening one another, and making disciples throughout all nations.
8. We believe that Jesus Christ will return to the earth personally and physically to receive His people into His presence, to bring judgment on an unbelieving world, and to establish His sovereign rule of righteousness and peace over the earth. We believe His coming could occur at any time.
9. We believe that both believers and unbelievers will be raised from the dead bodily, believers to conscious eternal blessedness in God's presence and unbelievers to conscious eternal punishment and separation from Him.

Community Life Covenant and Undergraduate Standards of Conduct

COMMUNITY LIFE COVENANT

Cairn is an academic community of Christian students, faculty, and staff. As such, and in keeping with the mission and vision of the University, members of the Cairn community are to exhibit biblical wisdom and Christian maturity regarding their personal conduct and behavior toward others. They should be sensitive regarding the testimony of their personal lives in representing the Lord Jesus Christ, His Church, and the University. Members of the University community should live according to 1 Corinthians 10:31: "Whatever you do, do all to the glory of God."

Christian community involves covenantal responsibility and mutual obligation to one another as members of one body living together before a righteous and holy God. Therefore, members of the University community are to be guided by biblical admonitions to demonstrate Christian love and concern for others, honesty, fairness, justice, kindness, forgiveness, mutual edification, self-control, deference, respect, and social responsibility toward one another and all people.

Because Christian community exists in social and cultural context, members must be careful to demonstrate civility and respect for those with whom they disagree, while exercising wisdom in evaluating the ideas and activities of others. Christians living in harmony share a deep concern for the Body of Christ, defer to one another, reason together, and express genuine Christian love, as outlined in Romans chapter fourteen.

Additional specific standards of conduct for students, faculty, staff, administration, and trustees as well as other institutional and governmental policies can be found in the respective handbooks for each group.

TRADITIONAL UNDERGRADUATE STANDARDS OF CONDUCT

The following standards apply to University students while enrolled in the traditional undergraduate programs at Cairn. These standards are established on the bases of state and federal laws, biblical teaching, and University policy and tradition. The administration is responsible to, and reserves the right to, exercise judgment in interpreting and enforcing these standards and all matters related to them based upon the totality of the circumstances.

1. University students are subject to the responsibility of academic integrity which demands honesty and giving credit to the proper sources.
2. Hazing is classified as a crime by the Commonwealth of Pennsylvania; the University will not allow this type of activity. Hazing is defined as any type of initiation process which includes actions that may potentially cause bodily harm, physical exhaustion, personal embarrassment, loss of dignity, emotional trauma, or mental duress.
3. Harassment or discrimination against others on the basis of race, national origin, age, sex, or handicap is not tolerated. Intimidation and violence through words or action are prohibited. This includes but is not limited to threats, verbal attacks, vandalism, stalking, acts of hatred, and physical attack.
4. Students are to be highly selective in their choices of entertainment and recreation, including television, videos, motion pictures, theater, dancing, sports, reading materials, music, video games, web postings, and file downloads. Biblical standards and discernment, especially in reference to worldly values, profanity, violence, immorality, sexuality, and nudity, should serve as guidelines in making personal decisions in these areas. Pornographic materials, including electronic media, sexually explicit internet sites and email are not to be viewed, possessed, distributed, or transmitted on or away from campus.
5. Cairn affirms the biblical teachings that a sexual relationship is intended only within a heterosexual marriage of husband and wife. Students are to abstain from any type of sexual activity or immoral relationship outside of the marriage of a man and a woman.
6. Tobacco, alcohol, illegal drugs, including illegally obtained prescription drugs, and gambling are prohibited on the Cairn campus. All state and federal laws concerning these are to be strictly observed. In addition, students will not possess, use, or distribute tobacco, alcohol, illegal drugs, including illegally obtained prescription drugs and similar elements, or gamble, on or away from campus. Attendance at clubs, bars, casinos, and similar places is prohibited.
