APPLIED MUSIC

Students who wish to register for Applied Music courses (a.k.a. music lessons) must submit a special registration form obtained from the School of Music.

WAITING LIST FOR CLOSED CLASSES

Students who wish to register for a class section that has closed may place their names on a waiting list during web registration. Students will be notified after web registration if a seat opens up in the section they requested. The student can then adjust their registration via the Add/Drop process (no fee).

KEEP IN MIND AS YOU PLAN

1. Be sure to schedule an hour for lunch. There is no natural break in classes to facilitate a lunch period. The cafeteria serves lunch from 11:00am to 1:15pm (Monday through Friday).
2. **Athletes and Musicians:** Classes Monday, Wednesday, and Friday meet until 3:50pm. If your practice hours conflict with this time, register early in your scheduled time slot to get the hours you need.
3. All students registered for 9 credits or more are required to attend chapel on Monday, Wednesday, and Friday from 10:00-10:45am. There is no chapel period on Tuesday and Thursday.
4. Late changes to the class roster will be posted and distributed to advisors. Final room assignments will be announced at the start of the semester.
